

THE CARDINAL

1959

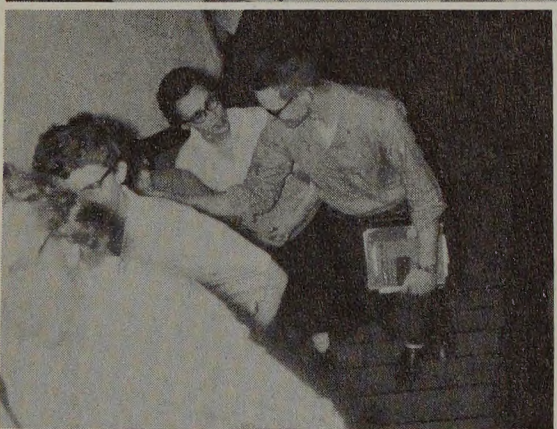

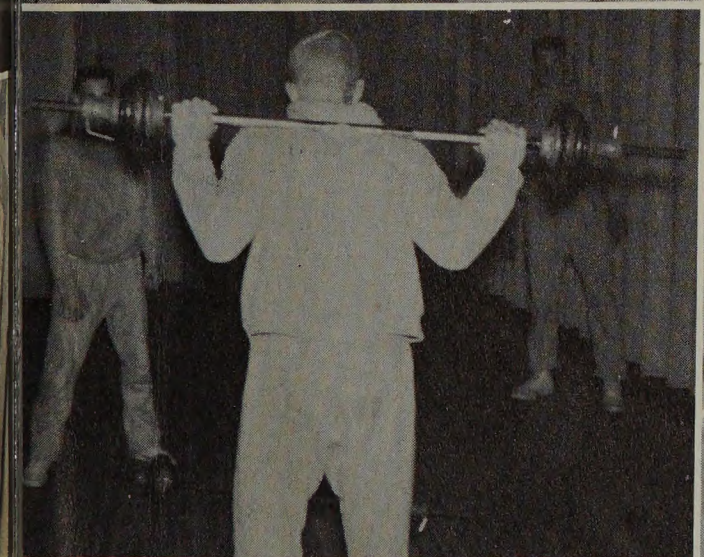

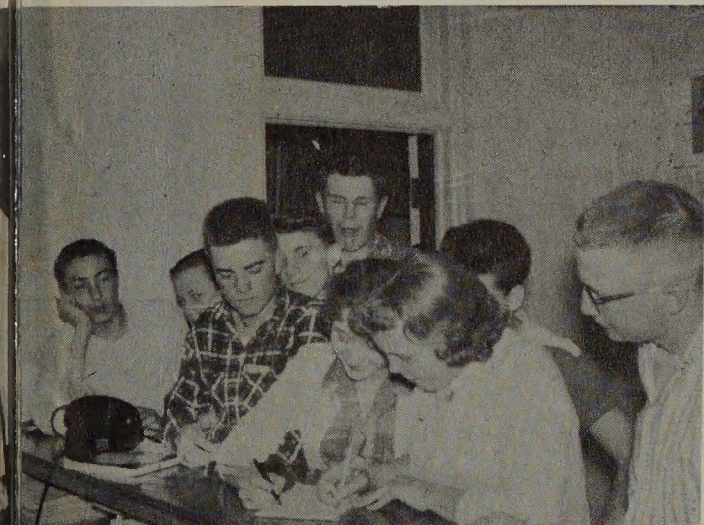

AROUND

SCHOOL

Dear Carol,
Well, here's another
year gone by & now we're
Juniors. Don't ever forget all
the fun we had this last year
as Sophomores. All the dances, games,
and Gail's birthday party. And then there's
those band trips! Rather tiring but fun, too.
I guess we'll always remember those classes and study
Halls. The time you got moved over by the boys because of
too much talking. And then there's the time that Dave & Ed
cut up that worm when they sat behind us in Geometry and they
tied it up in knots too. What poor worms!! This year, now that we
both have cars we can get more places. Hooray! Don't run into too
many ditches this year coming to school or otherwise!!! You're a real
sweet & cute gal so please don't change.

P.S. Remember your friend & classmate, Darlene W.
ride with Gene Mueller. Instead when we had a
with (how many?) 4 or 5 other boys. Keith thought
they had left him behind but we reassured him they
hadn't! Don't forget either when Fred "taught" you
how to drive with straight shift. That was
really something! And then there's the dance when
Fred left you to pull B.M. & D.H. out of the mud. I'm sure
you'll remember the Homecoming dance when Louie
danced with you all night! Stunder what
will happen this year! Don't
forget 3rd period & N. either
with Mrs. City. She really
gave us a bad time
with all the
eating &
talking!

Clarence Hiebenthal and Bill Gerathewahl served as custodians this year for the grade and high school buildings. Their work, which begins very early in the morning, is taken for granted until someone has to move out of the way of a mop.

Grade School

SEATED: Mrs. Esther Row, Mrs. Letha Barber, Mrs. Evelyn Daubert, Junior High School Principal. STANDING: Mrs. Golda Wilkening, Mrs. Alice Shaffer, Mrs. Arlene Jackson, Miss Orinda Mundhenke. NOT PICTURED: Riley Ruby.

FOUR FEATHERS WEST was the title of an operetta presented by the lower grade children on December 6. The Operetta was directed by Mrs. Virginia Schroeder with the assistance of grade teachers.

The operetta brought out the idea that everyone has a place in this world which he must fill.

"BOTTOMS UP!"

This past year a milk program was again set up for the grade school children. Under this system the grade school children enjoyed milk and crackers in the morning and afternoon for a small fee.

The Jumping Juniors ended their year with a class picnic.

Rural Eighth Grade Day

The Student Council sponsored several activities this year. Several assembly programs were presented, and the topics ranged from music and snakes to merchant ships. A locker clean-up campaign was held to encourage students to clean up otherwise messy lockers. Rural Eighth Grade Day was held May 12 in order to acquaint eighth grade pupils with high school routine.

Upon recommendation of a committee set up for that purpose, the Student Council amended several laws and rules that were out of date.

The meeting will now come to order!

WORKING HARD???

The Library Club this year consisted of eight members, five of which were seniors, two juniors, and one sophomore. The club was very busy this last year as they received one hundred thirteen new books. Some of the varieties were sports, animals, biography, autobiography, literature, and many types of adventures. They also helped the Grade School teachers by making a list of new books and also repairing badly damaged books.

Homecoming

CONGRATULATIONS

This year's Homecoming was held in a different fashion. During the half the candidates who were: Diane Gosker, Ron Havekost, Karen Havekost, Gary Nott, Joyce Brandt, Del Bokowski, Janet Proske, and Tom Milligan were presented before the audience. During the dance the king and the queen were crowned by the Pep Club sponsor.

THE JUNIOR CLASS PLAY

Mrs. Savage has been left ten million dollars by her husband and wants to make the best use of it, in spite of the efforts of her grown-up step-children to get their hands on it. These latter commit her to a sanatorium hoping to "bring her to her senses." The life she leads there is wonderful as her new friends are interested in her, not in her money. Eventually she is persuaded to leave the sanatorium and devotes herself to the administration of her funds for helping others "realize their hopes and dreams."

The dominant mood is high comedy, which was very well portrayed by the above members of the Junior Class.

"That music SENDS me!"

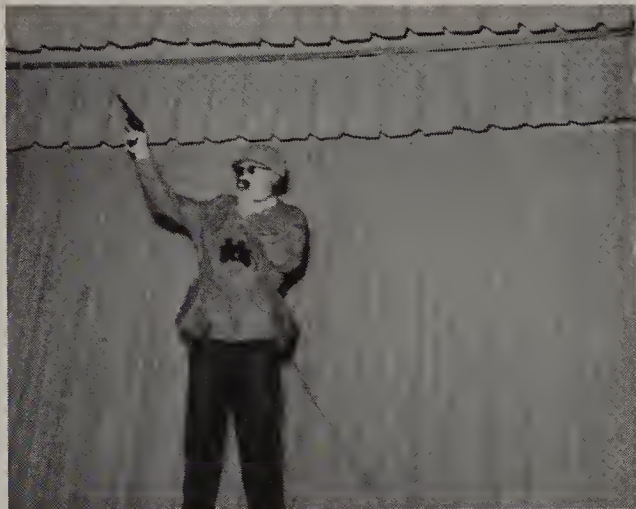

The Steve Gallon Show

SENIOR NIGHT OF 1959

On May 6, the senior class of Hooper High presented their version of the popular Steve Allen Television Show. The show, called "The Steve Gallon Show," included many of the regular features of the original T.V. show: The Man on the Street, The Billboard Girl, and The "Hinkley, Dinkley, Nutley" News Report. These and other skits were written by members of the class; also included in the program were commercials and special musical numbers. The entire class sang "The Halls of Ivy" as a finale.

Master of Ceremonies:
Steve Gallon (Moeller).

"MOONLIGHT AND ROSES"

To carry out the theme of "Moonlight and Roses," fleecy white clouds and sparkling stars were suspended from a blue crepe paper ceiling. The walls were decorated with red brick crepe paper and the serving area was surrounded by a white picket fence and rambling roses. A wishing well was the center of attraction.

The Banquet and Prom were held in the City Auditorium this year. The Juniors also made a change in tradition by inviting the Senior classes from five years back to the Prom. There was a very good turn-out which danced to the music of Tommy Bishop and his orchestra.
